Cause I never see you out

Are you hiding from me, yeah?

Somewhere in the crowd

Where have you been all my life, all my life?

Hold on to me as we go

As we roll down this unfamiliar road

And although this wave, wave is stringing us along

Just know you're not alone

'Cause I'm gonna make this place your home

Settle down, it'll all be clear

Don't pay no mind to the demons

They fill you with fear

The trouble - it might drag you down

If you get lost, you can always be found

Just know you're not alone

'Cause I'm gonna make this place your home

Settle down, it'll all be clear

Don't pay no mind to the demons

They fill you with fear

The trouble - it might drag you down

If you get lost, you can always be found

Just know you're not alone

'Cause I'm gonna make this place your home

Come on!

You shout it out,

But I can't hear a word you say

I'm talking loud, not saying much

I'm criticized but all your bullets ricochet

Shoot me down, but I get up

I'm bulletproof, nothing to lose

Fire away, fire away

Ricochet, you take your aim

Fire away, fire away

You shoot me down but I won't fall

I am titanium
You shoot me down but I won't fall
I am titanium

Cut me down
But it's you who'll have further to fall
Ghost town and haunted love
Raise your voice, sticks and stones may break my bones
I'm talking loud not saying much

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away
You shoot me down but I won't fall
I am titanium
You shoot me down but I won't fall
I am titanium
I am titanium
I am titanium

Stone-heart, machine gun
Firing at the ones who run
Stone heart loves bulletproof glass

You shoot me down but I won't fall
I am titanium
You shoot me down but I won't fall

"Somebody That I Used to Know" by Gotye feat. Kimbra

{365 words

313 1-syllable words

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company

But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done
But I don't [want to] live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you used to know

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though

I'm wide awake

I'm wide awake

I'm wide awake

Yeah, I was in the dark

I was falling hard

With an open heart

I'm wide awake

How did I read the stars so wrong?

I'm wide awake

And now it's clear to me

That everything you see

Ain't always what it seems

I'm wide awake

Yeah, I was dreaming for so long

I wish I knew then

What I know now

Wouldn't dive in

Wouldn't bow down

Gravity hurts

You made it so sweet

'Til I woke up on

On the concrete

Falling from cloud nine

Crashing from the high

I'm letting go tonight

Yeah, I'm falling from cloud nine

I'm wide awake

Not losing any sleep
I picked up every piece
And landed on my feet
I'm wide awake
Need nothing to complete myself, no

I'm wide awake
Yeah, I am born again
Out of the lion's den
I don't have to pretend
And it's too late
The story's over now, the end

I wish I knew then
What I know now
Wouldn't dive in
Wouldn't bow down
Gravity hurts
You made it so sweet
'Til I woke up on
On the concrete

Falling from cloud nine (it was out of the blue)
I'm crashing from the high
I'm letting go tonight (yeah, I'm letting you go)
Yeah, I'm falling from cloud nine

I'm wide awake
Thunder rumbling
Castles crumbling
I'm wide awake
I am trying to hold on
I'm wide awake
God knows that I tried
Seeing the bright side
I'm wide awake
I'm not blind anymore

I'm wide awake
I'm wide awake

Yeah, I'm falling from cloud nine (it was out of the blue)
Crashing from the high

You know I'm letting go tonight (yeah, I'm letting you go)

“Payphone” by Maroon 5 feat. Wiz Khalifa [Explicit Version]

{556 words

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone? Baby, it's all wrong
Where are the plans we made for two?

Yeah, I, I know it's hard to remember
The people we used to be
It's even harder to picture,
That you're not here next to me.

You say it's too late to make it,
But is it too late to try?
And in our time that you wasted
All of our bridges burned down

I've wasted my nights,
You turned out the lights
Now I'm paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone? Baby, it's all wrong
Where are the plans we made for two?

If "Happy Ever After" did exist,
I would still be holding you like this
All those fairy tales are full of shit

One more fucking love song, I'll be sick.

Oh, you turned your back on tomorrow
'Cause you forgot yesterday.
I gave you my love to borrow,
But you just gave it away.

You can't expect me to be fine,
I don't expect you to care
I know I've said it before
All of our bridges burned down

I've wasted my nights,
You turned out the lights
Now I'm paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone? Baby, it's all wrong
Where are the plans we made for two?

If "Happy Ever After" did exist,
I would still be holding you like this
All those fairy tales are full of shit
One more fucking love song, I'll be sick.
Now I'm at a payphone

Man, fuck that shit
I'll be out spending all this money
While you're sitting round wondering
Why it wasn't you who came up from nothing,
Made it from the bottom
Now when you see me I'm stunning,
And all of my cars start with a push of a button
Telling me the chances I blew up
Or whatever you call it,
Switch the number to my phone
So you never could call it,
Don't need my name on my shirt,
You can tell it I'm ballin.

Swish, what a shame could have got picked
Had a **really** good game but you missed your last shot
So you talk about who you see at the top
Or what you could have saw but sad to say it's **over** for.

"We Are Never Getting Back Together" by Taylor Swift

{365 words

274 1-syllable words

75% 1-syllable words}

I remember when we broke up the first time
Saying, "This is it, I've had enough," 'cause like
We hadn't seen each other in a month
When you said you needed space. (What?)
Then you come around again and say
"Baby, I miss you and I swear I'm gonna change, trust me."
Remember how that lasted for a day?
I say, "I hate you," we break up, you call me, "I love you."

Ooh, we called it off again last night
But ooh, this time I'm telling you, I'm telling you

We are never ever ever getting back together,
We are never ever ever getting back together,
You go talk to your friends, talk to my friends, talk to me
But we are never ever ever ever getting back together

Like, ever

I'm really gonna miss you picking fights
And me falling for it screaming that I'm right
And you would hide away and find your peace of mind
With some indie record that's much cooler than mine

Ooh, we called it off again last night
But ooh, this time I'm telling you, I'm telling you

We are never ever ever getting back together,
We are never ever ever getting back together,
You go talk to your friends, talk to my friends, talk to me (talk to me)
But we are never ever ever ever getting back together

Ooh, yeah, ooh yeah, ooh yeah

Oh oh oh

I used to think that we were forever ever

And I used to say, "Never say never..."

Uggg... so he calls me up and he's like, "I still love you,"

And I'm like... "I just... I mean this is exhausting, you know, like,

We are never getting back together. Like, ever"

No!

We are never ever ever getting back together,

We are never ever ever getting back together,

You go talk to your friends, talk to my friends, talk to me

But we are never ever ever ever getting back together

We, ooh, getting back together, ohhh,

We, ooh, getting back together

You go talk to your friends, talk to my friends, talk to me (talk to me)

But we are never ever ever ever getting back together

You and I go hard at each other like we're going to war.
You and I go rough, we keep throwing things and slamming the door.
You and I get so damn dysfunctional, we stopped keeping score.
You and I get sick, yeah, I know that we can't do this no more.

Yeah, but baby there you go again, there you go again, making me love you.
Yeah, I stopped using my head, using my head, let it all go.
Got you stuck on my body, on my body, like a tattoo.
And now I'm feeling stupid, feeling stupid, crawling back to you.

So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night

Try to tell you "no" but my body keeps on telling you "yes".
Try to tell you "stop", but your lipstick got me so out of breath.
I'll be waking up in the morning, probably hating myself.
And I'll be waking up, feeling satisfied but guilty as hell.

Yeah, but baby there you go again, there you go again, making me love you.
(Making me love you)
Yeah, I stopped using my head, using my head, let it all go.

Slept in all my clothes like I didn't care
Hopped into a cab, take me anywhere
I'm in if you're down to get down tonight

Hey, baby, won't you look my way?

I can be your new addiction

Hey, baby, what you [got to] say?

All you're giving me is fiction

I'm a sorry sucker and this happens all the time

I found out that everybody talks

Everybody talks, everybody talks

It started with a whisper

And that was when I kissed her

And then she made my lips hurt

I can hear the chitchat

Take me to your love shack

Mamas always [got to] backtrack

When everybody talks back

Hey honey you could be my drug
You could be my new prescription
Too much could be an overdose
All this trash talk make me itching

Oh my my shit
Everybody talks, everybody talks
Everybody talks too much

It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I can hear the chitchat
Take me to your love shack
Mamas always [got to] backtrack
When everybody talks back

Never thought I'd live to see the day
When everybody's words got in the way

Hey sugar show me all your love
All you're giving me is friction
Hey sugar what you [got to] say?

It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I can hear the chitchat
Take me to your love shack

You know I'm not one to break promises,

I don't want to hurt you but I need to breathe.

At the end of it all, you're still my best friend,

But there's something inside that I need to release.

Which way is right, which way is wrong,

How do I say that I need to move on?

You know we're heading separate ways.

And it feels like I am just too close to love you,

There's nothing I can really say.

I can't lie no more, I can't hide no more,

Got to be true to myself.

And it feels like I am just too close to love you,

So I'll be on my way.

You've given me more than I can return,

Yet there's oh so much that you deserve.

There's nothing to say, nothing to do.

I've nothing to give,

I must live without you.

You know we're heading separate ways.

And it feels like I am just too close to love you,

There's nothing I can really say.

I can't lie no more, I can't hide no more,

Got to be true to myself.

And it feels like I am just too close to love you,

So I'll be on my way.

So I'll be on my way.

And it feels like I am just too close to love you,

There's nothing I can really say.

I can't lie no more, I can't hide no more,

Got to be true to myself.

And it feels like I am just too close to love you,

Took a deep breath in the mirror
He didn't like it when I wore high heels

But I do
Turn the lock and put my headphones on
He always said he didn't get this song
But I do, I do

Walked in expecting you'd be late
But you got here early and you stand and wave
I walk to you
You pull my chair out and help me in
And you don't know how nice that is
But I do

And you throw your head back laughing like a little kid
I think it's strange that you think I'm funny 'cause he never did
I've been spending the last eight months
Thinking all love ever does is break and burn and end
But on a Wednesday in a cafe I watched it begin again

You said you never met one girl
Who had as many James Taylor records as you
But I do
We tell stories and you don't know why
I'm coming off a little shy
But I do

But you throw your head back laughing like a little kid
I think it's strange that you think I'm funny 'cause he never did

I've been spending the last eight months
Thinking all love ever does is break and burn and end
But on a Wednesday in a cafe I watched it begin again

And we walked down the block to my car and I almost brought him up
But you start to talk about the movies that your family
Watches
Every single Christmas and I want to talk about that
And for the first time what's past is past

But you throw your head back laughing like a little kid
I think it's strange that you think I'm funny 'cause he never did

I've been spending the last eight months
Thinking all love ever does is break and burn and end

But on a Wednesday in a cafe I watched it begin again

Loving him is like driving a new Maserati down a dead-end street
Faster than the wind, passionate as sin, ending so suddenly
Loving him is like trying to change your mind once you're already flying through the free fall
Like the colors in autumn, so bright just before they lose it all

Losing him was blue like I'd never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you never met
But loving him was red
Loving him was red

Touching him was like realizing all you ever wanted was right there in front of you
Memorizing him was as easy as knowing all the words to your old favorite song
Fighting with him was like trying to solve a crossword and realizing there's no right answer
Regretting him was like wishing you never found out that love could be that strong

Losing him was blue like I'd never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you never met
But loving him was red
Oh, red
Burning red

Remembering him comes in flashbacks and echoes
Tell myself it's time now, [got to] let go
But moving on from him is impossible
When I still see it all in my head
In burning red
Burning, it was red

Oh, losing him was blue like I'd never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you never met
'Cause loving him was red
Yeah, yeah, red
We're burning red

And that's why he's spinnin' 'round in my head
Comes back to me, burning red
Yeah, yeah

His love was like driving a new Maserati down a dead-end street

This is the end

Hold your breath and count to ten

Feel the earth move and then

Hear my heart burst again

For this is the end

I've drowned and dreamt this moment

So overdue I owe them

Swept away, I'm stolen

Let the sky fall

When it crumbles
We will stand tall
Face it all together

Let the sky fall
When it crumbles
We will stand tall
Face it all together
At skyfall
That skyfall

Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart

Let the sky fall (let the sky fall)
When it crumbles (when it crumbles)
We will stand tall (we will stand tall)

At skyfall

(Let the sky fall
When it crumbles
We will stand tall)

(Let the sky fall
When it crumbles
We will stand tall)

Where you go I go
What you see I see
I know I'd never be me
Without the security
Of your loving arms
Keeping me from harm
Put your hand in my hand

And we'll stand

Let the sky fall (let the sky fall)

When it crumbles (when it crumbles)

We will stand tall (we will stand tall)

Once upon a time a few mistakes ago

I was in your sights, you got me alone

You found me, you found me, you found me

I guess you didn't care, and I guess I liked that

And when I fell hard you took a step back

Without me, without me, without me

And he's long gone when he's next to me

And I realize the blame is on me

'Cause I knew you were trouble when you walked in

So shame on me now

Flew me to places I'd never been

'Til you put me down, oh

I knew you were trouble when you walked in

So shame on me now

Flew me to places I'd never been

Now I'm lying on the cold hard ground

Oh, oh, trouble, trouble, trouble

Oh, oh, trouble, trouble, trouble

No apologies. He'll never see you cry,
Pretends he doesn't know that he's the reason why.
You're drowning, you're drowning, you're drowning.
Now I heard you moved on from whispers on the street
A new notch in your belt is all I'll ever be
And now I see, now I see, now I see

He was long gone when he met me
And I realize the joke is on me, yeah!

I knew you were trouble when you walked in
So shame on me now
Flew me to places I'd never been
'Til you put me down, oh
I knew you were trouble when you walked in
So shame on me now
Flew me to places I'd never been
Now I'm lying on the cold hard ground
Oh, oh, trouble, trouble, trouble
Oh, oh, trouble, trouble, trouble

And the saddest fear comes creeping in
That you never loved me or her, or anyone, or anything, yeah

I knew you were trouble when you walked in
So shame on me now
Flew me to places I'd never been
'Til you put me down, oh
I knew you were trouble when you walked in (you were right there, you were right there)
So shame on me now

Had no example of a love that was even remotely real
How can you understand something that you never had?
Ooh, baby, if you let me, I can help you out with all of that

Girl let me love you

I cry just a little
When I think of letting go
Oh no
Gave up on the riddle

When I think of letting go

I know you [want to] get behind the wheel but only one Rida
Eyes shut still got me swimming like a diver
Can't let go I got fans in Okinawa
My heart to Japan quake losers and survivors
Norway no you didn't get my flowers
No way to say it better but the killer was a coward
Face just showered, the minute in a hour
Heard about the news all day went sour
Bitter moments got me feeling like a lemon here
Put you in the box just as poisonous as a cigarette
Send my regards or regardless I get arrested
Ain't worried about the killers just the young and restless
Get mad 'cause the quarter million on my necklace
DUI never said I was driving reckless
You and I know that jealousy is not oppressive
Oh no I can't stop I was destined

I know
Caught in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little

And I put that on my tattoo of Jimi Hendrix
Get depressed leather outfit all in it
'Cause the press tell it all get a meal ticket
Clean next get in the car just a little visit
Sacrifice just to make a hit still vivid
Rihanna kiss you blessed just kill critics
Bugatti never mean I'm rich, just God fearing
Look at me steering, got no boss staring
Got a good feeling

I'm on another planet
Thank E-Class, Big Chuck or Lee Prince Perries

When I need a healing
I just look up to the ceiling
I see the sun coming down
I know it's all better now

When I need a healing
I just look up to the ceiling
I see the sun coming down
I know it's all better now

When I need a healing
I just look up to the ceiling
I see the sun coming down
I know it's all better now

I know, I know, I know, I know, I, I, I, I think of letting go, go, go, go

I know
Caught in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little
When I think of letting go

I know
Caught in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little
When I think of letting go

*It sounds like Flo Rida is saying "Trying to" with very little enunciation, so I listed this as "trying to", just like I listed "wanna" as "want to".

Yeah, Young Money, Nicki Minaj, Justin

Show you off, tonight I [want to] show you off (eh, eh, eh)

What you got, a billion could have never bought (eh, eh, eh)

We gonna party like it's thirty twelve tonight

I [want to] show you all the finer things in life

So just forget about the world, we're young tonight

I'm coming for ya, I'm coming for ya

Cause all I need

Is a beauty and a beat

Who can make my life complete

It's all about you,

When the music makes you move

Baby, do it like you do

Cause...

Body rock, girl, I can feel your body rock (eh, eh, eh)

Take a bow, you're on the hottest ticket now, oh (eh, eh, eh)

We gonna party like it's thirty twelve tonight
I [want to] show you all the finer things in life
So just forget about the world, we're young tonight
I'm coming for ya, I'm coming for ya

Cause all I need
Is a beauty and a beat
Who can make my life complete
It's all about you,
When the music makes you move
Baby, do it like you do

In time, ink lines, bitches couldn't get on my incline
World tours, it's mine, ten little letters, on a big sign
Justin Bieber, you know I'mma hit 'em with the ether
Buns out, wiener, but I gotta keep an eye out for Selener
Beauty, beauty and the beast
Beauty from the east, beautiful confessions of the priest
Beast, beauty from the streets, we don't get deceased
Every time a beauty on the beats

(Yeah, yeah, yeah, yeah, let's go, let's go)
Body rock, girl, I [want to] feel your body rock

Cause all... (all I need is love) I need
Is a beauty and a beat
Who can make my life complete
It's all... (all I need is you) about you,
When the music makes you move
Baby, do it like you do
Cause...

NOTE: "Gangnam Style" was removed from this list because most of the words are in Korean, therefore 1) it is an outlier, as virtually no words were only 1 syllable, and 2) (more importantly) unless someone was fluent in both Korean and English, the number of syllables in each Korean word of "Gangnam Style" wouldn't have mattered to the listener in a way that would affect the listener psychologically.

NOTE: Every time the word "wanna" is used, it is replaced with "want to", since "wanna" can easily be interpreted as saying "want to" with little enunciation. "Imma" and "gonna" cannot be

misinterpreted as saying “I’m going to” and “going to” (respectively) with little enunciation, so “Imma” and “gonna” are each treated as individual words.
